Dear author,

Now that your article has been accepted to The Journal of the Southern Association for Information Systems, you should take a moment to ensure that it conforms to the basic style guidelines of the journal. The paper will be published essentially unchanged from how you submit it in this final draft, so it is worth spending a little time to prepare it correctly.

Our style guide is available at:

Please let us know if you have any questions.
We look forward to seeing your paper published very soon.

Thank you,
The Editors
